MARYLAND DNR FOREST SERVICE STATE FIRE MANAGEMENT PACK TEST & REFRESHER ANNOUNCEMENT

The Maryland DNR Forest Service Fire Management Staff is offering the Work Capacity (Pack) Test for Wildland Fire Crew members. Immediately following, the RT-130 Annual Fireline Safety Refresher training will be given.

All participants taking the pack test will be required to complete the "Health Screening Questionnaire". If you answer 'yes' to any question, a physician's note will be required before completing the test. Forms may be obtained in advance from the contacts below. Participants will also be required to sign an Informed Consent form the day of the test.

For the following sessions Contact:

Ric Lillard to register at 301-478-2976 or rlillard@dnr.state.md.us
