

## STATE FIRE MANAGEMENT JOB ANNOUNCEMENT

The Maryland DNR Forest Service Fire Management Staff has openings for four seasonal wildland firefighter positions. Positions are seasonal 13-week contact positions to assist in wildland fire operations for the spring fire season (March – June).

**Job Duties:** Positions will report to the Regional Fire Manager and assist with wildland fire operations in a multi-county area. Activities may include wildland fire prevention, pre-suppression, and suppression activities including response to wildfires, prescribe burning, equipment operation, dry hydrant planning, training, routine maintenance, and other duties as assigned.

**Education / Training Requirements:**

- High school diploma or GED
- 18 years of age or older
- Valid Maryland Drivers License; CDL preferred, but not required
- Basic wildland fire training (S130, S190, I100)
